Event Insurance & Banquet Permits

Milestone does require general liability insurance naming Rocky Pond Special Events LLC as additionally insured and loss payee. A Washington State Banquet permit is required to serve alcohol at your event.

Vendors

We recommend and require groups to procure a wedding planner, not participating in the wedding party, to lead as their “Day-Of” event coordinator. All vendors must sign our MVE Vendor Agreement prior to working at the venue. Our preferred vendors list have been pre-approved through this process and we are happy to share that list with our confirmed couples

Let's Meet

Venue tours are available by appointment only and can be scheduled with the Milestone Vineyard Events team.
